### **2009 PERSONAL PROPERTY VALUATIONS**

The Jefferson County Appraiser's Office will be mailing out the 2009 Personal Property Valuation Notices on Friday, May 1<sup>st</sup> on property that has been reported for the 2009 valuation year. Once a property owner receives their valuation notice, it is suggested that they review the notice for accuracy of property information.

A property owner who wishes to appeal the personal property value(s) or if the valuation notice does not correctly represent what was/is owned then they will need to contact the Appraiser's Office at (785) 863-2080 or 1-877-278-4118. The personal property appeal deadline date is May 15<sup>th</sup>, 2009.

If the appeal deadline is missed, the next opportunity to appeal will be when the first half 2009 taxes are paid on or before December 20<sup>th</sup>. A taxpayer cannot appeal the notice of value and pay the taxes under protest for the same property for the same tax year.
